#18 - Wings of Freedom Flight Experience

Over 60 years ago they flew from bases far from home, over occupied and enemy territory in an attempt to weaken the forces of evil so that freedom could once again return to the people who it was stolen from. Their endurance was tested on missions of ten or more hours, day after day; their strength was proven as they returned countless crews safely back to their bases. Crews counted on them and a bond was made between man and machine. Now they fly on missions that are quite different than those of so long ago. Their mission for today is to educate the world about our courageous World War II veterans and to remember those who have left us. These aircraft stand as tributes to their crews and fly on as living history to enlighten future generations.

308 - Pelican Hill Golf Course: Two Rounds of Golf (\$560 value)

Enjoy two rounds of golf at Pelican Hill Golf Course!

North Course description: Deep ocean views to the horizon guide all 18 tee shots on the North Course. Open canyons and elevated plateaus with a palette of one hundred colors contrast the distinct green edges of the fairways and greens.

One can feel complete isolation on this course - experience only the sounds of birds' wings and the salubrious perfume of unique flora. With several holes on the cliff's edge, the Pacific Ocean draws focus from the green, beckoning players to experience one of the finer points of the course. South Course description: Ocean south is a flow of contrasts: from brush gardens framed by sage and eucalyptus trees, to the greens which drop at every side by deep chasms. The sheer variety of vegetation on the South Course makes playing quite the experience, surrounded by appealing hints at florals and the ocean winds as they breeze through the course. Several holes permit 270 degree views of the vast Pacific, with the sight of seabirds and sailboats guiding the fresh ocean breeze. As enjoyable to play as it is beautiful, this is one of the most pure exaltations of Fazio's design philosophy.

- 2006 hope & grace Cabernet Sauvignon—Production: 32 barrels
Rich, ripe black cherry wrapped in tobacco leaf and dried flowers with a hint of lavender. Full bodied red fruit saturates the palate, fully textured...vivid cherry flavors broaden with the sumptuous weight of the wine across the palate. This is an elegant, full-bodied Cabernet that will benefit with long term cellaring. Cellaring: 2011-2018

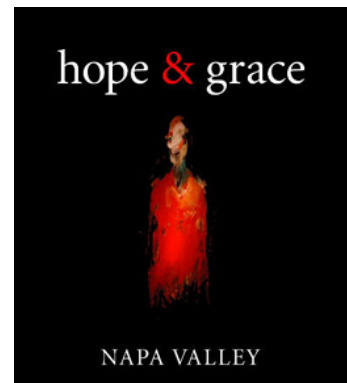

- 2007 hope & grace: Production 21 barrels
Intense aromas of black cherry fruit, cola, tobacco leaf, tea, finishing with a hint of café ole. Smooth flavors of Bing cherry & anise glide across the palate, leaving a rich, lingering mouth feel. This is a true collector's vintage, drinking beautifully, but will develop into an extraordinary Cabernet Sauvignon over time with proper cellaring. Cellaring: 2012-2019

- 2008 hope & grace Cabernet Sauvignon: Production 32 barrels
Intoxicating aromas of fleshy sweet plums and ripe black cherries...subtle notes of sage, white pepper and rose petals. Jammy bramble, spice and bright cherry fruit flood the palate while lively sparks of pomegranate keep the bold and complex flavors surprisingly refreshing. This is a full-bodied and balanced Cabernet that will continue to evolve over time...perhaps becoming the next star of your cellar. Cellaring: 2013-2020

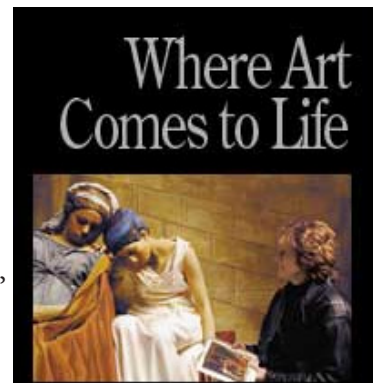

These vintages are composed of Cabernet Sauvignon from the Lewelling Family Vineyards located a half mile south of St. Helena, which is fortuitously situated in an alluvial fan at the base of Spring Mountain. The gravelly loam soil and ideal microclimate combine to produce optimal Cabernet fruit with rich cherry and dark berry flavors. These wines exemplify exceptional fruit, structure and balance.
