\_\_\_\_\_  
Cumulative GPA (# of units)

Have you ever received an ACWA scholarship (check one)?     Yes                                       No

ACWA began its scholarship program in 1961 to assist talented and innovative students join the effort to ensure California's water quality, and to implement sound water management policies. This year, ACWA continues its academic scholarship program by offering two \$3,000 scholarships to qualified students.

**PLEASE NOTE:** Students who will not attend school full-time for the complete 2011-'12 academic year are not eligible to apply. Read guidelines carefully before completing this application form.

**APPLICATIONS MUST BE POST MARKED ON OR BEFORE APRIL 1, 2011.**

1. Attach a **sealed, complete** college transcript including current course of study.
2. Attach two - three letters of recommendation.
3. Briefly describe any past or current employment directly related to your field, and the average number of hours worked per week:

---

---

---

4. List your extra curricular activities in college, the community, etc., related to California's water industry:

---

---

---

5. List significant awards, honors, etc., you have received, including dates (please limit to five):

---

---

---

6. List any technical societies of which you are a member and any offices held:

---

---

7. Briefly describe how you will finance next year's college expenses:

---

---

8. Attach a typed 1-2 page essay addressing the following:

- Identify key water-related issues you would address, if given the opportunity.
- Why have you chosen a career in the water resources field?
- How do your educational and career goals relate to a future in California water resources?
