

The Utah-Idaho District Lutheran Women's Missionary League has set up a grant program to assist students from our district. We will divide \$3,000.00 per year among eligible students from the Utah-Idaho District when they accept a call into full-time church work in the LCMS. A student(s) who meets the aforementioned criteria and is accepting his/her first call between October 1, 2009 and September 30, 2010, please apply.

He/she should send:

- 1) a letter stating when he/she is taking a call.
- 2) a copy of his/her call documents, if received.

This letter should be mailed (see the address below) and postmarked by April 1, 2010.

The Utah-Idaho District LWML hopes to help with the financial burdens of our called workers.
